

Assembler

This would be a fantastic opportunity for an experienced assembler, who is looking to work as part of our production team in a small family company.

The role requires extremely high attention to detail, manual dexterity, excellent eyesight and the ability to handle small electronic components. Experience with hand soldering would also be preferred but is not essential.

This is a full-time position, with contracted 37.5 hours per week, which can be worked on a pre-agreed flexi-time basis.

Location: Hitchin, Hertfordshire

Remuneration:

- This a permanent full time job with a salary that will depend upon experience and profile
- BEKA operates a company funded private medical insurance scheme
- Pension contribution
- Death-in-service benefit

Role:

- Manufacture of small mechanical assemblies, populating and hand soldering of printed circuit boards
- Assembly and testing to an agreed quality
- Packing of finished products
- General housekeeping of workspace
- Routine internal training will be provided

Essential Skills:

- Attention to detail
- Manual dexterity and excellent eyesight; ability to handle small electronic components
- High quality hand soldering is preferred but not essential
- Extremely good focus
- High sense of responsibility
