**Event Date - Thursday 6th October 2022**

**Event programme**

**Dear exhibitor,**

On behalf of Measurement and Control Engineers London (InstMC), we welcome you to our Instrumentation, Control and Automation Exhibition held in the Banqueting Suit at Glaziers' Hall.

The venue is a few minutes' walk from London bridge main line station and London Bridge tube station. There are 5 drop off unloading and loading spaces provided directly outside the hall for exhibitor's equipment. Vehicles must be removed immediately after unloading /loading.  
(a schedule for this activity will be issued to each exhibitor good time before the exhibition date).

Exhibition tables will be in position in the Banqueting Suit and will have access to power per stand. Exhibitors should have all powered equipment 'PAT' tested and labelled prior to arrival at Glazier's Hall.

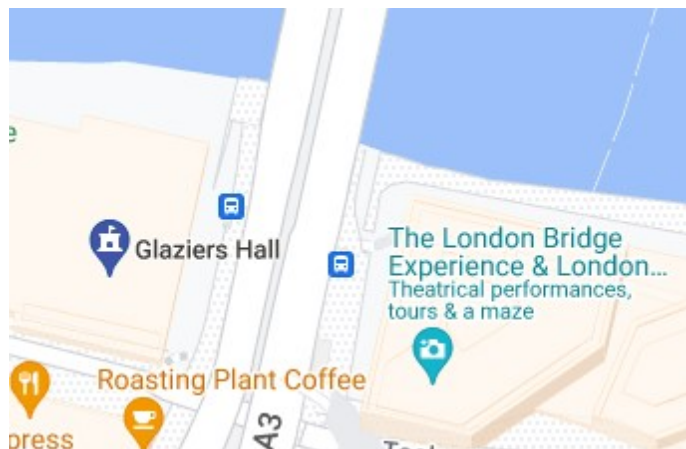

Exhibitors should provide their own table covers.

A cloak room is available will be provided by Glaziers Hall.

A Guest Bar (card payments only) will be provided.

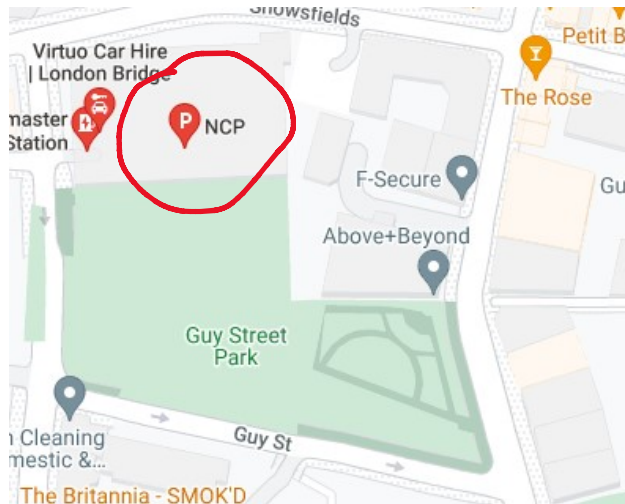

Complimentary Tea, Coffee and biscuits will be provided for attendees.
